

Canterbury/Westland Section of the N.Z.A.C

Equipment Hire List 2012

The C/W Section has the following equipment that can be hired to Members.

Ice axes [walking and technical]

Ice hammers [technical].

Crampons

Plastic and rigid Leather Boots.

Snow-stakes

Ice-Screws

Avalanche Transceivers, Probes and Shovels

E.P.I.R.B [Emergency Beacon]

Helmets

Trad-Rack consisting of Cams, Hexes and Wires (Note, this item is only available to Section and National Instruction Courses)

The Section Does not hire out ropes or Carabiners.

Canterbury/Westland Section trips and Instruction get first priority but as long as there is no clash with C/W planned events then members are welcome to hire for other courses that National HQ organises.
