Mt. Rolleston Mentoring Programme: Winter- Spring 21

The CW section will run a mentoring programme for newer alpinists who have come through the NZAC Snowcraft Pathway. The main objective being a climb of Mt. Rolleston in Arthur's Pass.

The programme aims to:

- a) Introduce the mentee to the two popular routes (Otira Slide and Rome Ridge) on Rolleston
- b) Give the mentee the confidence to plan their own trip up and down Rolleston.

The programme will consist of two or three trips and climbs building up to the Rome Ridge climb. It will run August to October. No dates are set as it depends on conditions, avalanche risk and weather.

It is not a matter of putting dates in the diary but rather that we contact you when all the above come together.

Requirements are: own avalanche kit, full shank boots and other appropriate gear, member of NZAC/CW, have completed an NZAC Intermediate Snowcraft Course.

We would ask that you keep a brief list of trips completed from June 2021 for the mentor (it helps to go out on club trips so that you are known and your interest is noted).

An application does not mean an invite onto the programme. Mentees will be selected on the above, plus will depend on the number and availability of mentors.

Additional mentors are also welcome to apply and will be vetted as such.

For Mentors or Mentees please address your interest to cw.tripscoordinator@gmail.com, with the subject line "Mt. Rolleston Mentoring Programme: Winter- Spring 21".
