

NZAC INSTRUCTION PROGRAMME

BACKCOUNTRY AVALANCHE COURSE

11th – 14th JULY

Photo: Keith Munro

NEW ZEALAND
ALPINE CLUB

South Island Course

LOCATION: Arthurs Pass National Park

ACCOMODATION: Arthurs Pass Lodge

COURSE FEES: \$635 (INC GUIDING, COURSE RESOURCES, ACCOMMODATION)

Who is this course for?

This Backcountry Avalanche course, designed by the Mountain Safety Council is for climbers and mountaineers to further develop their knowledge, skills and understanding of avalanches and how to avoid them. It is the perfect course for those regularly traveling in snow-covered alpine terrain. The full course outline can be seen here:

<https://alpineclub.org.nz/sites/default/files/2021-01/NZAC-Backcountry-Avalanche-Course.pdf>

This course is designed to build upon the knowledge learned through an Avalanche Awareness course or similar.

Participants should be competent in all the course outcomes from the NZAC's Basic Snowcraft Course (<https://alpineclub.org.nz/sites/default/files/2021-01/NZAC-Basic-Snowcraft.pdf>) and have and have attended an Avalanche Awareness or similar course in the last 5 years.

Please do not apply if you are not competent in the course outcomes from the NZAC Avalanche Awareness Course and the course outcomes from the NZAC Basic Snowcraft Course.

Course Syllabus:

Avalanche Basics

- Avalanche characteristics
- Identification of avalanche terrain
- Types of Avalanche
- Snowpack
- What is an avalanche path
- Avalanche size
- Transceiver Checks
- Equipment for traveling in the alpine environment

Pre-Trip Planning

- Avalanche Advisory
- Systems and checklists for trip planning
- Weather forecasts
- Snow stability checklists
- Intentions (safety code)

Avalanche Assessment

- Weather
- Snowpack factors
- Recognising Avalanche Terrain
- Human Factors
- Decision making tools

Movement in avalanche terrain

- Safe travel techniques and etiquette
- Route Selection
- Track Setting

Companion Rescue

- What to pack
- Skilful transceiver use

Accommodation:

Accommodation is provided at the NZAC Arthurs Pass Lodge. This is dorm style accommodation with hot showers. The lodge is warm and comfortable with a kitchen and living area.

Accommodation is provided the night before the course starts.

Instruction

The course will be run in a minimum 1:6 instructor to participant ratio, headed by fully qualified and experienced Avalanche Risk Management Level 6 instructor. All participants must agree to follow the Course Tutors instructions and directions. 6 participants maximum per group. The course has a capacity of 12 participants.

Food:

Food is not provided. Participants should bring their own food or arrange to cook in groups (participants will be put in contact with each other prior to the course starting). The lodge has a fridge and cookers.

There is no supermarket in Arthurs Pass, participants should arrive with the food they need for the course duration.

Pre-Course Learning:

Participants are required to complete a short E-Learning course ahead of the Backcountry Avalanche Course. A link to this will be sent upon booking. Additionally, participants will be sent a copy of the Avalanche Awareness in the New Zealand Backcountry book.

Participants should read and be familiar with this book before the course starts.

Course Assessment:

The course includes a formal assessment of avalanche rescue skills. On successful completion, a Certificate of Competence is issued. Participants also receive a Certificate of Attendance. Participation in the assessment is optional.

Getting there and Course Start:

It is the participants responsibility to travel to Arthurs Pass Lodge (School Terrace, Arthur's Pass Village 7875). Participants are encouraged to lift share where possible.

Accommodation is provided on the night prior to the course starting (Sunday 10th July). The course starts at 8.30am on the morning of Monday 11th July. During the course, participants will need to drive from Arthurs Pass to various locations in order to access different terrain and snow conditions.

Participants driving to Arthurs Pass should carry snow chains. These may also be required to access ski fields during the course.

The course will be finished by 3.30pm on the last day.

Course Fees

The course fees include all instruction, course resources and accommodation at NZAC Arthurs Pass Lodge. **Accommodation on the night prior (Sunday 10th July) to the course is also included.** The course fees are \$635. Full Payment of a \$635 is required upon acceptance to secure your place on the course.

No refunds will be available should you cancel within 60 days of the course start. Any refunds are not guaranteed and are at the discretion of the NZAC National Office and may depend on whether a replacement can be found.

No refunds are due for courses voluntarily reduced in length. If weather and/or conditions require the course objectives/itinerary to be modified no refund is due. Some course costs may be returned if they have not been incurred.

No refunds are due for leaving the course for medical or fitness reasons. Exceptional circumstances may be considered and are at the discretion of the NZAC.

Covid-19

The NZAC is committed to provide a safe environment for all course participants, instructors, and the wider climbing community. To ensure this we will be following government guidance on what is deemed to be best practice regarding Covid-19. Participants are asked to not attend courses if they are unwell or are awaiting the results of a Covid-19 test. Please ensure you bring a face covering to the course, this may be required when flying or at times when physical distancing may not be possible. The use of face coverings will be in alignment with Ministry of Health guidance.

Courses will go ahead at all traffic light stages. If the course is cancelled due to an increase of covid cases or due to lockdown, in the first instance we will reschedule the course. If this is not possible then course participants will be refunded or given the choice of keeping payment in credit. Refunds will also be given if your local region is placed under lockdown, and you are therefore unable to travel.

The NZAC reserves the right to implement changes to the course in order to comply with any specific government regulations. The NZAC's interpretation of the government regulations will be final.

Emergency Situations and Risk

Disclosure

The Course Instructor will have Emergency Management Procedures in place and a Satellite phone to immediately contact rescue services in the case of an accident or emergency. It is encouraged to take your own personal locator beacon if you own one.

The natural environment and climbing activities can involve risks. While recognising that the course organisers and instructors are doing their best to manage these risks, and agreeing to accept their direction whenever required, you must accept personal responsibility for your own actions and safety. You must also accept to follow the instructions of the Course Leader and other instructors at all times.

All participants on the Course are expected to be as honest and transparent as possible about their experience and fitness as part of their application. If a participant's lack of fitness/ability severely affects the running of the course the participant(s) may be asked to not participate for certain activities. Arrangements may be made to evacuate the participant(s) at their own cost. The instructor is the final arbiter in these decisions.

Gear list:

Overleaf you will find a full list of the equipment you will need. Some NZAC Sections hire mountaineering equipment. It is the individual participants responsibility to hire and return and kit.

Please be careful purchasing any climbing or mountaineering equipment online. The NZAC recommends kit is purchased from a reputable outdoor retailer. This ensures your kit meets international standards and is not fraudulent. See <https://www.theuiaa.org/uiaa/is-your-equipment-really-certified/> for more information.
