About Broken River:

Broken River Ski Area is one of NZ's unique "Club" fields in the Canterbury high country, run and maintained by Broken River Ski Club members. We are extremely proud of our Club, its heritage and what our mountain offers. Our strong, close-knit community is as important as the great terrain and riding. We offer a laid-back atmosphere, with uncrowded slopes and excellent riding. We provide on-mountain accommodation as well as alpine and telemark ski instruction, and multi-day sleep-ski packages. We also run a range of courses focusing on avalanche training, skiing and riding the back-country (off-piste alpine and telemark courses), and speed flying technique.
