Approved by Section Committee, _____

Chairman.

Date _____

Please read carefully before completing proposal.

Secretary.

CLUB RULES RELATING TO PROPOSALS FOR MEMBERSHIP AND ADVANCEMENT OF ASSOCIATE MEMBERS TO MEMBERSHIP

Rule 18—

(a) The name of every candidate, together with a signed list of mountain expeditions or a statement of the contributions to alpine literature, science, or art upon which the candidate's claim for membership is based shall, before election, be submitted to the Qualification Committee who shall decide upon the sufficiency of the qualification.

(b) No application for election as a member, or advancement of any associate member to membership, shall be referred to the Qualification Committee until accompanied by such reports as the Committee may from time to time prescribe from the proposer and secondor on the personal characteristics of the candidate which are relevant to his suitability to be elected a member or advanced to membership, but are not evident from the candidate's signed list of mountain expeditions. Before deciding upon the sufficiency of the qualification, the Qualification Committee may call for a report of a like nature from any other person.

(c) Members who wish to support a candidate may send an intimation to the Secretary of their wish to do so, and he shall attach the same to the candidate's proposal.

(d) The Committee may dispense with the candidate's signature

CLUB RULES FOR ACCEPTANCE OF ASSOCIATE MEMBERS

"(a) The primary requirement for any person seeking election is that he should be likely to have a continuing interest in the mountains and to qualify in due course for membership of the Club.

(b) As evidence of this, the applicant should have taken part in some expeditions which resulted in the completion or partial ascents of mountains requiring some knowledge of mountain craft.

(c) Where the applicant, although not fulfilling the foregoing requirements, has made, or is likely to make, valuable contribution to scientific research, art, literature, or photography connected with mountains and glaciers.

(d) Or where the applicant, being unable to climb or travel in the mountains, has an undoubted interest in mountains and a desire to assist the Club."

NOTES ON MEMBERSHIP

All proposals for Membership must be made and seconded by Members.

Proposals for Associate Membership may be made or seconded by Associate Members provided either the proposer or the secondor shall be a Member. This means that proposals for Associate Membership may be made by two Members or by one Member and one Associate Member.

Every nomination, other than those for advancement, must first be recommended by the Section Committee.

Nominations for Associate Membership do not need to be
