May section talk report
Peter Laurenson
Khumbu

Last month's section meeting featured Peter Laurenson. Peter's one of those talented outdoor writers and photographers that we are so lucky to have in New Zealand. He talked to us about his many trips to the Khumbu region of Nepal.

He has obviously put a lot of time into preparing his slides and his presentation was really professional and fascinating. Peter's numerous trips to Khumbu and exploration of the different valleys and passes were really interesting, and he has written a book on the area.

Peter's book differs from other travel books in that a main focus is on his, and his family's, bond with a Khumbu family whom he visited over the years, with separate trips with each of his 3 sons.

Peter's photographs are very special and really show this fascinating area at its best light.

Peter's Khumbu book is available on the NZAC website

We need you!

Midweek climbing coordinator

The midweek climbing coordinator, coordinates an email group of people to go on climbing sessions after work or on the weekends. They are not solely responsible for setting up the sessions as anyone within the email group can do that, they just provide support if required.

The midweek climbing coordinator is also not someone who provides guiding or instruction and individuals within the group are responsible for their own safety.

Is this something you feel you can help us with?
Then please contact Jim Petersen
cw.chairperson@gmail.com

Trips coordinator

As trips coordinator you help guide those who want to lead a trip with all the right information they require to lead a trip successfully. The trip coordinator also helps with any questions in regards to the planning and tells you who to contact within the club if you wish to advertise for more participants

WEEKLY ACTIVITY OPTIONS

Lead a Trip: If you would like to lead a trip for the club, alpine, rock climbing, cycling or otherwise, please contact Findel Proebst
cw.tripscoordinator@gmail.com

Midweek mountaineering: The midweek group are mainly fairly mature mountaineers who still manage to plod up a few peaks, usually on Wednesdays, weather permitting. Most of the trips are not technical climbing but scrambling at a fairly relaxed pace. If you are interested in joining us, please contact
Pat Prendergast on 337 0079 or email
pat@slingshot.co.nz

Mid Week Rock Climbing: Keen for a climb? Join the Midweek Climbing group to organize rock climbing related missions, meet new people and explore the outdoors. Depending on the time of year, there will be regular sessions after work, during the weekend, or just send an email if you're going out or looking for a belay. Mostly in and around the Port Hills with day trips to the Banks Peninsula and occasionally beyond.

- Helmets are compulsory when climbing and belaying (if you don't have a helmet, please source one or talk to the climbing coordinator and they will try and have one available)
- For those new to climbing and belaying, we can assist in this so please ask if you are not sure
- Two top rope kits (each with a rope, biners and slings are available each week for the person in charge to use rather than their own equipment and for those climbers who don't want to lead but top rope instead.

Climbing will usually run from approximately 4.30 pm onwards, outdoors during daylight savings hours, or indoors in winter, or if the weather is no good. We also welcome and would appreciate people assisting from time to time on a roster basis rather than relying on the same people every week having to look after the climbing group so please contact Clayton if you are able to help out (it's not too difficult!)

If interested, please send an email to:
nzacmidweekclimbing@gmail.com
and you'll be sent the sign-up form.

All are welcome, including non members.

WE NEED YOU

The NZAC Canterbury/Westland section is looking for volunteer trip leaders

A club trip is a great way to spend time with like minded people, share some adventures and give back to the outdoor community. Most trips involve moderate to intermediate mountaineering but they can include anything from tramping, rock climbing to mountaineering objectives. The trip leader is not a professional guide or instructor, as a trip leader you organise and lead the group only.

What is involved?

- Pick an objective and date
- Use this trip leader worksheet to plan your trip
<https://alpineclub.org.nz/resources/organising-trips/>
- Get in contact with the trip coordinator (see details below).
- Your trip needs to be signed off to make sure all points are ticked off. The trip coordinator can also help you with any questions you have regarding the planning
- The trip gets advertised in the newsletter and/or to the Cant/Westland facebook page
Email: Shannon at nzac.cw.newsletter@gmail.com
- You organise the participants and do pre-trip preparations

This list is a suggestion of day or overnight trips which could be both run during summer or winter. All these trips are achievable in a weekend. If you have another objective in mind just get in contact with the trip coordinator. Thanks for leading a trip for the club!

Volunteer trip coordinator email: Email Andy Barrett

Some Ideas! Mt Aiken, Binsler, Avalanche Peak, Mt Cloudsey, Torlesse, Avalanche-Bealey Traverse, Castle Hill Peak, Longfellow, Avalanche Peak-Crow Valley, Mt Oates, Murchison, Temple-Phipps Traverse, Mt Somers, Mt Guinevere, Mt Rolleston, Mt Philistine

KEEN TO SHARE YOUR OUTDOOR EXPERIENCE?

Keen to share your outdoor experience?

Caitlin Erickson, our section meeting co-ordinator, is the person to contact.

Caitlin organises speakers to share their outdoor experiences with the rest of our community. If you have any outdoor adventures to share or know someone who has a story to tell, then please contact Caitlin either by phone or email.

TRIP GUIDELINES

An important part of the NZAC is volunteer organised trips. If you're thinking of joining or organising a trip, here are some guidelines on what to expect. Check out the NZAC Trips page for resources to assist you with planning a section trip. <https://alpineclub.org.nz/resources/organising-trips/>

Responsibilities of a Trip Organiser:

- Trips should be fun for everyone. Choose a mountain, peak, hill, traverse, route, crag, or whatever and get out there and meet some keen club members!
- You cannot be responsible for the safety of every member of the group, but you should aim to empower every group member with enough knowledge to make their own informed decisions about the proposed trip both before, and during the trip.
- Choose a realistic goal for the time available and give prospective group members an idea of the amount of effort required.
- Set a group size limit based on your experience, the goal, time available and the groups individual fitness and experience.
- Let the group know what skills & equipment are needed when they sign up.
- Provide the trip Participants with a copy of the NZAC waiver form

and have them understand, sign and return it to you in advance of the trip.

- Organise travel arrangements at the earliest opportunity and let everyone know how much they can expect to pay for transport costs - petrol, wear & tear.
- Prepare detailed trip intentions and leave them with at least one responsible individual.
- If someone on the trip voices their concern about a situation it is up to you (with the help of the group) to find a safe solution.
- Give priority to NZAC members
- Find someone on the trip to write an interesting trip report for the Section Newsletter and email it to: nzac.cw.newsletter@gmail.com

Responsibilities of a Trip Participant:

- You are responsible for your own safety. If you are uncomfortable with any situation, let your trip organiser know straight away.
- Be prepared to drive or contribute to transport costs incurred (petrol, wear & tear)
- Make sure you have a clear idea of the trip's goals and what will be

required of you. Obtain a relevant map and know where you are going, the terrain, what gear you will need, and how to use it.

- If you discover that you cannot go on the trip then let the Trip organiser know as soon as possible so that another person can take your place.
- Read, understand and return the signed copy of the NZAC waiver form to the Trip Organiser.
